PREPARING FOR DELIVERANCE  
Questions and Answers

Is your problem demonic?
- All problems are not demonic! We do have a free will. We cannot blame demons for everything.
- You may need deliverance if there is a driving force behind your problem.
- You may need deliverance if you still have oppression after you have applied the Word, spiritual discipline and prayed for relief.
- You may need deliverance if you have an infirmity and doctors cannot find it or the cause.
- You can be assured that the demonic kingdom has a plan for your life, and that is to steal, kill and destroy. You can be certain that demonic entities have been assigned to you. If you have oppressions that characterize these descriptions, where you cannot get or maintain victory in your life, you may need deliverance.

How can I prepare for my deliverance?
- You must really want it. Stir up your faith – your part is important
- Circle all items on the Demonic Strongholds list, past or present, that may apply.
- Put significant time, effort and prayer into working on the “Demonic Strongholds Entry Points List”. This is key! The effectiveness of your deliverance is directly related to this. Do not leave it to the last minute!
- Do a house cleaning in the natural. Get rid of all pagan idols, items that spirits can be attached to and pornographic materials in your household.
- Pray, and if possible, fast prior to your deliverance.

How can I assist during my deliverance?
- Arrive on time for your deliverance prayer. Wear comfortable clothes. Do not let anything interfere with this day in your life!
- Be completely honest about listing the strongholds in your life in your homework. Details are not important (God already knows and those who pray for you are trained and trustworthy). The demonic kingdom needs to see that you are serious about this!
- Do not pray, worship, talk or pray in tongues during deliverance. Words can create a blockage. Simply will, in your mind, for the spirits to leave. Agree in your mind with what the minister is praying. Do not hold back your emotions or reactions. Many evil spirits are expelled by the mouth. Don’t be embarrassed to cough, burp, yawn, sigh, scream, or spit up. It’s only an evil spirit on its way out. However, there may be no physical reaction at all.

What can hinder my deliverance?
- Not doing the homework…preparing the entry points list and then doing the declarations boldly, out loud and in faith!
- Unconfessed sin or ongoing sin that you are trying to hide. You must want your freedom for you!
- Bottom line: if you do not prepare, do not do the homework and do not want to be free, then it is very unlikely that you will be delivered!

Summary of Instructions
- Do declarations out loud the night/day before the deliverance session.
- Burn the “Entry Points” List at conclusion of declarations.
- Bring the “Strongholds/Issues” List and list of word curses and known generational curses to prayer session.
